P.E.S.T. Relief Is Coming To Town!

Here at the [P.E.S.T. Relief International](#) workshop, we have been working closely with Santa to provide comfort and relief to the orphaned, abused, and those who are at-risk. Last week, P.E.S.T. partnered with Clark Pest Remedy to make U-Hope shelter a safer place to sleep. This once infested home is now free of bedbugs, allowing residents to continue to thrive as they pursue a better life. Additionally, P.E.S.T. Responders partnered with the Boy Scouts of America for continued improvements at Abba House by renovating a screened-in-porch, installing new sheets and bedding, and painting several rooms.

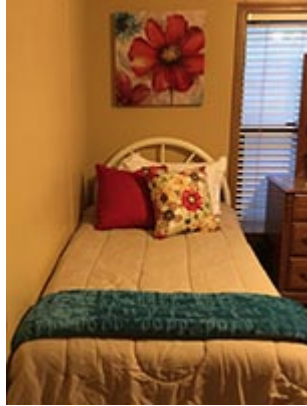

While sharing your love with family and friends, become a P.E.S.T. Relief Responder and give a \$10 end of the year donation to help us share the love with those who need it most. Please click the button below and contribute to a heartwarming cause this holiday season.
